Docket No. R2013-11

**UNITED STATES POSTAL SERVICE NOTICE
OF REVISIONS TO USPS-R2010-4R/2 -- ERRATA**
(October 18, 2013)

On September 26, 2013, the Postal Service filed its renewed Request for Exigent Relief, which was docketed by the Commission as Docket No. R2013-11. The Postal Service hereby provides notice of minor changes to USPS-R2010-4/2, relating to changes in charges for Inbound First-Class Mail announced by the UPU subsequent to the filing. Related additional revisions are being made to the Statement of Altaf Taufique, and to the Exigent Request document, and separate notices to that effect are also being filed today.

Specifically, in preparing the September 26th filings, placeholders were used in the worksheets for Inbound International First-Class Mail for Internal Air Conveyance charges. Subsequent to the filing, the UPU released the actual charges for CY 2014. Replacing the placeholders used in the original filing with the actual charges announced by the UPU causes very minor changes in the spreadsheets. In USPS-R2010-4R/2, this causes changes in both the Preface and the Excel spreadsheet. The changes in the Preface are explained at the end of the Preface. In the Excel spreadsheet, the tabs

that change are highlighted in yellow, and within those tabs, the cells that change are also highlighted in yellow.

A new CD accompanies this filing, which completely replaces the original disk for USPS-R2010-4R/2.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
